EDUCATION

University of Texas at Dallas – Richardson, Texas

Bachelor of Science in Information Technology Systems

May 2026

Collegium V Honors Program, Academic Excellence Scholar, Nash Fellow, Dean's List

Portfolio Link: <https://dasarinkhil1.wixsite.com/nikhil-dasari-1>

GPA: 3.8

EXPERIENCE

Ernst & Young – Dallas, TX

June 2025 – July 2025

Technology Consulting Intern

- Evaluated business processes, access controls, and implementation risks for an SAP ECC to S/4HANA transformation, helping shape a phased roadmap for enterprise technology adoption and delivery readiness for big-tech companies.
- Partnered with senior consultants and client stakeholders to document 10+ user and business process requirements, test configurations, and validate data integrity, supporting implementation and post-delivery validation and adoption.
- Created client-ready deliverables including process documentation and risk decks that guided leadership decision-making.

Delta Airlines – Atlanta, GA

January 2025 – May 2025

Product Development Co-op

- Designed and implemented allotment automation for DeliverDirect using Python and VBA, supporting feature delivery and improving product development efficiency across 500+ transactions and multiple cross-functional teams.
- Conducted root cause analysis using Tableau and Pulse dashboards to identify delivery failure patterns, improving SLA compliance by 10% across 20+ last-mile stations and informing backlog prioritization and iteration decisions.

Walmart – Bentonville, AR

May 2024 – August 2024

Business Operations Intern

- Leveraged advanced analytics platforms (Luminate, Modular Analytics, Excel) to identify and streamline 100+ redundant assortment items, supporting data-driven business and product decisions that informed operational prioritization.
- Designed and launched a Power BI dashboard to automate business processes, equipping leaders with real-time insights that improved shelf space utilization by 20%, enhanced product clarity by 15%, and reduced duplicative offerings by 25%.

UT Dallas Information Technology Systems (OIT) – Richardson, TX

September 2022 – Present

Information Technology Analyst

- Diagnosed and resolved 300+ student and faculty technical issues, sustaining a 91% first-contact resolution rate while standardizing documentation practices to improve team-wide service consistency, efficiency, and data transparency.
- Collaborated with IT staff during peak periods to manage 1,000+ monthly service requests, ensuring SLA compliance, reducing backlog, and training 10+ new analysts to improve onboarding speed and service quality.

LEADERSHIP AND ORGANIZATION EXPERIENCE

Artificial Intelligence Society (AIS) – UT Dallas

October 2022 - Present

Director

- Managed budgeting and legal documentation for a club of 100+ members, improving financial transparency and significantly reducing administrative errors by 25% through streamlined approvals and compliance tracking.
- Partnered with 10+ companies, including Jasper AI, Perplexity, Cognizant, and Capital One, to host AI/ML product workshops and competitions, increasing overall student engagement and involvement by 40% year-over-year.

Computer Information Systems Leadership Council (CISTLC) – UT Dallas

October 2022 - Present

Committee Lead

- Organized a recurring platform for 200+ students per semester, fostering peer-industry networking and career exploration events in technology and consulting through speaker events, panel discussions, workshops and mentorship initiatives.

ADDITIONAL

- **Skills:** Prompt Engineering; Excel; SAP; Java; Python; HTML; Tableau; Power BI; SQL; VBA; Azure; Salesforce (Trailhead).
